## HUMBER FACES 2007

### Contact Us

The current Humber Faces (2007) online presentation is a continuation of Humber's longstanding tradition to celebrate our people. This presentation is an ongoing, collaborative initiative involving many people and various departments across the college. We would like to thank everyone involved for their assistance and support. It is our intention to maintain this Faces online presentation as a current pictorial representation of full-time staff at Humber.

Questions, comments, and/or concerns may be directed to:
